

RFP 24-001 – Southwest Consortium

Response to Submitted Questions

01.08.2024

The RFP is requesting WAN connections from Lordsburg School District, Cobre School District and Cobre Schools – San Lorenzo.

Question: Please confirm the WAN connection requested from Cobre Schools – San Lorenzo continues to terminate at the Cobre School MDF.

Response: The connection from San Lorenzo to the Cobre Schools MDF remains unchanged.

The RFP identifies WAN connections from Cobre and Lordsburg and are aggregated at Silver Consolidated School on an existing 4GB Internet connection.

Question: Would the Consortium and/or the Districts entertain an alternative quote that is an Internet connection directly with the Cobre District and an Internet connection directly at Lordsburg?

Response: No. It is the intention of the Consortium to continue with the same network design structure.

Lauren Verduzco, Procurement Manager - SWREC

A handwritten signature in blue ink that reads "Lauren Verduzco".
