## Scholarship Pilot Program Pre-approved Course Details

### Undergraduate Courses

#### **Eastern New Mexico University**

EDF 309 Technology for the Classroom (3) Prepares prospective teachers for use of technology as an instructional tool in the school curriculum; explores, evaluates and uses technology resources; and begins the process of creating an electronic portfolio to be presented at program completion. Admission to the teacher education program required. Prerequisites: admission to Gateway I.

### Graduate Courses

#### **Eastern New Mexico University**

ELED/SED 532 Technology Integrated Curriculum (3) The focus for this course is to support educators in designing lessons and courses that focus on developing and deepening student understanding while incorporating technology resources.

ELED/SED 537 Technology Leadership (3) This course is designed to support educators as they transition into becoming an instructional technology leader within their school and district. Prerequisites: ELED 532.

ELED/SED/RED 542 Integrated Technology and Literacy Through Project Based Learning (3) Explores aspects of creating student-led projects using technology. ProjectBased Learning (PBL) will be used as a vehicle to explore ways to engage students in literacy, diversity and inquiry based learning. Specific areas to be covered will be 21st Century Learning, in-depth inquiry, driving questions and assessments.

**NOTE:** Courses from other NM higher education institutions may qualify for the STI Scholarship. Students may complete the Approved Course Request form by November 11, 2022 to have a course considered for the Spring 2023 semester. The proposed institution must provide course learning objectives and be willing to sign a third-party-pay agreement or accept a purchase order from REC IX.
