

ONLINE PORTFOLIO FOR ALTERNATIVE LICENSURE

### STRAND C: PROFESSIONAL LEARNING

It is essential that you understand the following about the OPAL Resubmission process. Regulation 6.60.3.8 section (c) (v) states a candidate who does not successfully demonstrate the competencies in all three strands in items (i)-(III) of Subparagraph(a) of Paragraph (3) of subsection B of 6.60.3.8 NMAC may submit any failed strand one time as long as the resubmission is completed within one calendar year of the date of the original submission.

Teacher Licensure Number: Enter teacher license number

**SPECIAL NOTE:**

Before completing all sections of this strand, carefully read and follow directions in the *Requirements and Guidelines for the Preparation of the New Mexico Alternative Licensure Portfolio*.
